

BugVision Bug Count Devices

This tutorial is designed to describe all the features of the Bug Type List

1. Bug Count Devices List

On the home page, click on the “Bug Count Devices” tile (<https://www.app-bug-vision.com/obsdevices>).

BugVision is provided with a library of BugCount devices from main manufacturers including sizes colours and pattern.

Home / Bug Types

Observation Devices Company Name: Sample

🔄 📄 + 🔍 Search...
