

BugVision Home Screen

This tutorial is designed to describe all the features of the Home Screen

1. Home Screen

The screenshot shows the BugVision Home Screen with a navigation bar at the top containing 'Home', 'Dashboard', and 'Contact'. The main content area is a grid of 11 tiles. Red arrows point from text labels to specific tiles or UI elements:

- Back to home screen from anywhere**: Points to the 'Home' link in the navigation bar.
- Input Bug Counts records**: Points to the 'Record Bug Counts' tile.
- Reporting on dashboard**: Points to the 'Dashboards' tile.
- Bug Types list**: Points to the 'Bug Types' tile.
- User Profile**: Points to the user name and 'LOG OUT' link in the top right.
- Quick start procedure to use for initial settings**: Points to the 'Get Started' tile.
- Plant Types list**: Points to the 'Plant Types' tile.
- Templates to ease your Bug Count Recording**: Points to the 'Bug Count Templates' tile.
- Locations in your facility**: Points to the 'Locations' tile.
- Bug Count Devices list**: Points to the 'Bug Count Devices' tile.
- Review and accept invitations**: Points to the 'Invitations' tile.
- Thresholds for Bug/Plant pair**: Points to the 'Limits' tile.
