

BugVision Subscription

1. Connect to BugVision

Log in BugVision (<https://app-bug-vision.com/Account/Login>)

2. Open User Profile

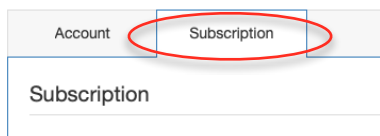

In the top right, click on your username.

3. Select subscription tab

User Profile

Date: Sunday, August 18, 2019

4. Select the subscription Plan

Select the plan you want to subscribe to (Yearly or Monthly).

One plan per company.

A plan includes 3 user licenses.

Subscription

Subscription Plan:

Total Number of Licenses: *

Address

Address 1:

Address 2:

	Yearly Basic \$1000 usd/year for 3 licenses Additional Licenses: \$500/user
	Monthly Basic \$100 usd/month for 3 licenses Additional Licenses: \$50/user

If you need more than 3 user licenses, you can add them in the total number of licenses field. 3 is the minimum that comes with the company plan

Total Number of Licenses: *

5. Invoice Address

Then, you need to fill up the address fields for the invoice:

Address

Address 1:	<input type="text"/>
Address 2:	<input type="text"/>
City:	<input type="text"/>
State:	<input type="text"/>
Country Name:	<input type="text"/>
Postal Code:	<input type="text"/>

6. Credit card information

Enter your credit card information.

Enter expiration date and CVC code

BugVision does not keep credit card information on file. All credit card processing is performed securely by Stripe (see stripe.com)

7. Update Subscription

Click "Update Subscription" button.
Your subscription is now effective.

Update Subscription

8. Assign purchased licenses to users

You can assign the licenses you purchased to your users (click “+” button and type email address of the user).
